From the Helm

Greetings! Well, it's that time of year again. Fall is definitely in the air and boats will soon be coming out of the water. I hope everyone had a great summer.

Even though the boating season is coming to an end, there are still many events in the works at CYC. The social committee can always use a helping hand. Contact Carol Herald at 547-2863 if you'd like to help out.

Thank you to Richard Hodgeson for organizing the Beaver Island Rendezvous, and to all those who participated. What a great turn out!

Thanks, also, to the Armstrongs and Dolittles for hosting the wonderful slideshow from their canal trip in France.

I would also like to once again thank the Red Fox committee, the race committee, sponsors and many volunteers who worked so hard to make the Red Fox Regatta such a huge success. A wonderful time was had by all.

I hope to see, but not recognize, you all at the Halloween party.

Peace, Love and Crew,
Beth Uehlein, Commodore

A reminder about hosting: If you need to get into the club before the bartender arrives (usually about 5:50 p.m.) contact Doug Simpson or Roy Herald for a key. (Their phone numbers are listed on the back page, and in the directory.)

BOO!

CYC's annual Halloween party will take place on Friday, Oct. 28. Gloria Barnes is hosting, and there will be prizes for the best costumes.

It is with great regret

that the board accepted Terry Hiser's resignation as Vice-Commodore. Terry is taking on new business responsibilities that will keep him in Indiana for a significant portion of time. The board wishes to thank Terry for all that he has done for the club. His leadership has been a great asset to the Board.

Looking for Donations:

The club has suffered the death of a vacuum cleaner, microwave, refrigerator and popcorn machine in the last few months. Building committee member Roy Herald has replaced the vacuum and microwave, but before we spend big bucks on a refrigerator and popcorn machine, we thought we'd check with our membership to see if anyone had either of these items that they would be willing to donate to the club. In order to conserve energy, we are looking for appliances that are not more than a few years old.

If you are able to help us out with a donation, please contact a member of the building committee.

Vinyl Night

Dust off your old records and bring them to the club on Nov. 11. Your DJs will be hosts Noel & Lynn Smolenyak.

US Sailing President Gary Jobson to visit Grand Traverse Yacht Club

On Saturday, October 8, the Grand Traverse Yacht Club will host Gary Jobson, President of US Sailing. Jobson has been visiting yacht clubs and community sailing centers around the country in order to better understand our programs and issues as well as encourage the growth of our sport of sailing.

Jobson is the author of 16 sailing books, has been ESPN's sailing commentator since 1985 and was inducted into the America's Cup Hall of Fame in 2003.

The GTYC extends an invitation to CYC members to meet Mr. Jobson, and listen to his presentation on the past and future of our sport. An excellent dinner and thoroughly enjoyable evening are a sure thing. Reservations for this event are requested.

A reception will begin at 6:00 p.m., and dinner begins at 7:00 p.m. For more information, go to www.gtyc.org/Jobson.mht

Thank You...

From the Building Committee to Dave Loring and Joe Wollam for helping with ceiling tile replacement, and to Terry Hiser for power washing and additional cleaning to spruce up the club before the Red Fox festivities.
